

Study Abroad & Higher Education Services

Powered by Eshal Recruitment Consultancy Pvt. Ltd.

✦ Your Trusted Partner in Global Education Since 2022

At *Eshal Recruitment Consultancy Pvt. Ltd.*, we don't just place students—we shape futures. Since 2022, we've successfully placed **75+ students** in top universities across the globe. In 2025, we've expanded our services to include **Indian colleges and universities**, offering full-spectrum support for **UG, PG, and higher education**.

We proudly partner with:

- **Private and public schools** for early guidance and career planning
- **Renowned colleges and universities** across India and abroad
- **Schengen countries** including Germany, France, Italy, Netherlands, and more

Whether you're a student seeking a world-class education or an institution looking to attract global talent, Eshal is your bridge to success.

Why Study Abroad?

In 2024 alone, **over 760,000 Indian students** pursued higher education overseas. This surge is driven by:

- **Global career opportunities** in STEM, AI, business, and healthcare
- **Access to cutting-edge research and innovation**
- **Cultural exposure and personal growth**
- **Government support** through initiatives like the *Indian Community Welfare Fund (ICWF)* and *MRQs* for student welfare

For Students: Your Pathway to Global Excellence

We help you prepare, apply, and thrive.

Our services include:

-  **University selection & application support**
-  **IELTS coaching** (Authorized IDP Partner)
-  **Visa & documentation assistance**
-  **Education loans** through top banks (ICICI, HDFC, Axis, etc.)
-  **Government & minority scholarships** guidance
-  **Career counselling & post-study pathways**
-  **Placement in Indian colleges and universities** with global standards

Popular Streams & Promising Futures

Students choose international education for its career-defining impact. Top streams include:

- **STEM (Science, Technology, Engineering, Mathematics)** – leading to roles in AI, data science, and robotics
- **Business & Management** – opening doors to global leadership and entrepreneurship
- **Healthcare & Life Sciences** – enabling careers in research, medicine, and public health
- **Hospitality & Tourism** – ideal for culturally rich, service-oriented careers

Graduates often secure **post-study work visas**, internships, and permanent residency pathways, making overseas education a life-changing investment.

For Institutions: Partner With Us

We connect you with passionate, well-prepared students.

Our institutional services include:

-  Student recruitment and pre-screening
-  Cultural orientation and onboarding
-  Joint promotional campaigns
-  Strategic tie-ups for UG, PG, and exchange programs
-  Collaboration with affluent schools and colleges for talent pipelines

We work with:

- Schools and colleges across India
- Universities in the US, UK, Canada, Australia, Germany, UAE, Ireland, and Schengen nations

Financial Support & Scholarships

We've partnered with **leading banks** to offer:

-  Education loans up to ₹50 lakhs
-  Interest rates starting at 8.6%
-  Flexible repayment options

We also guide students through:

-  **Government schemes** like Top Class Education, ICCR, and National Overseas Scholarships
-  **Minority grants** for Muslim, Christian, Sikh, Buddhist, Jain, and Parsi students
-  **International scholarships** offered by universities and foundations abroad

Why Choose Eshal?

Our Unique Strengths:

-  Global & domestic placement network
